Ripon City Photographic Society Exhibition

Allhallowgate Methodist Church, Victoria Grove,
Ripon HG4 1LG, (9.30am to 4pm).

“The Exhibition is just for the one day, 2nd September and, as always, we enjoy welcoming members from other photographic societies and camera clubs from all over Yorkshire.

Once again, we are looking to be able to exhibit around 100 prints and show a similar number of digital images on a 50" 4K television set, presenting our images at their best.

On the same day as our exhibition, the Great Northern Art Show opens in the Cathedral, just across the car park from our event. whilst 200 yards in the other direction, the Ripon Arts Society Exhibition will be enjoying its final day.

Ripon is one of Britain's smallest cities but it offers so much to see and to photograph, consequently we are planning for good weather for the occasion to ensure your visit to Ripon is doubly worthwhile.”
